

- Go to [hillcitymusic.com](http://hillcitymusic.com)
- Click on the Rentals tab
- Click on the Rent Now button
- You will be redirected to Music and Arts Rental page for our area
- Choose the grade
- Choose the school (expand radius if you don't see your school) or type in your school name
- A pop-up will have you select when you need the instrument
- Select the instrument
- The Liability & Damage Waiver (LDW) will be automatically selected. Please see our rental brochure for information about this program.
  - Note: You can remove the LDW at any time, but it cannot be added to your rental later. It is highly recommended for young students.
- Provide some personal information and check the terms and conditions of the contract
- You will then be sent to check out
  - You can sign into or create an account (recommended) or continue as a guest.
- Provide the required information (3 parts)
  - In the shipping section we suggest Ship to Store. Our store will be automatically chosen. This allows us to hand pick a quality, brand-name instrument for your student.
    - We fulfill the contract and call you.
    - At that time you can come pick it up in store or we may arrange to deliver the instrument to the school.
  - Should you choose the Ship to Home option you will be charged for shipping and the instrument will be transported to you from the warehouse without our local input.
- We do not recommend purchasing any other equipment from Music and Arts. We have starter packages designed for your school available.
